

Tapping into Buyers/Tenants at Scale

In addition to our team’s expertise, dedication and unique network, we leverage Crexi: **the fastest-growing CRE marketplace** dedicated to accelerating deal velocity and providing access to accurate industry data.

Listing your property on Crexi PRO will allow us to tap into their database of 2.5M monthly users with targeted property recommendations to ensure your listing lands in front of the right qualified leads. Additionally, your listing will benefit from:

- AI-generated product descriptions ensure your listings are effectively matched to the highest probability leads
- Priority listing placement in Crexi search results
- Auto-generated, monthly targeted emails are sent to matched leads
- Access to the Marketing Portal to send customizable emails, track campaigns and contact leads
- Appear in similar property results reaching even more users
